Upon the arrival on Japan. infant and baby were attacked by the weather Food and their living condition followed with 1st son's serious Accident, which cost us (me and me) 3 Month big City's Hospital life and more on after care than 2nd World War -- wanted to Return to Canada.			

Regarding the Canadian National Census - I was completely innocent - I am fully Requested and apologized indeed. Your due consideration is highly appreciated.

Respectfully Yours
J. Kitamura
